# Swarthmore

## Town Center Newsletter August 2005

### **Town Center Updates**

- The streetscape contractor, Road-Con, met with business owners on July 27. Some notable items:
  - Typical work day will be Monday—Friday from 7am to 3:30pm
  - A supervisor will be on-site at all times
  - Two 300 foot sections will be under construction at a time. Access to stores will be maintained for customers except during the actual sidewalk concrete pour.
  - Demolition of the old Coop building and construction of Lafayette Plaza will begin concurrently with sidewalk work.
  - Construction is scheduled to begin in late August with a Nov. 15 completion date for sidewalk work and Dec. 15 completion of Myers Avenue.

More information will follow as a schedule of work is finalized.

Business Owners have been meeting to prepare a **promotion plan** for the Town Center while it is under construction. A draft of the plan has been emailed to most business owners— if you did not receive a copy, please contact Jennifer Vincent.
