

### Swarthmore Farmers' Market Returns

The Saturday farmers' market will be back again this year. The start date is tentatively scheduled for May 15. Since this a local producers' market we are always dependent upon our local growing season.

The market will run each Saturday, rain or shine, until late November. Any local business that would like to participate is encouraged to contact Marty Spiegel at [swarthmoretowncenter@comcast.net](mailto:swarthmoretowncenter@comcast.net) to discuss their possible involvement.

### ShIPLEY School Garden Tour Thursday May 13

On Thursday May 13 The Shipley School will be holding a tour of local gardens in Swarthmore, including many of our town center gardens. Several hundred people attend the tour so our downtown should be busy that day. Any merchants that wish to advertise any specials can email Marty at [swarthmoretowncenter.com](mailto:swarthmoretowncenter.com). We will be providing them with maps and directories of our town center.

### Charity Fun Fair Sunday April 18

On Sunday April 18, Swarthmore Rotary will once again sponsor its annual Charity Fun Fair. As usual, there will be dozens of charities represented as well as the food court and three stages of music.

The event typically draws about 3,000 people to the town and any business that would like to participate can call Marty.

### Parent Weekend at college April 15-16

Parents of prospective students will be visiting the college on Thursday and Friday April 15-16. Let's help make them feel welcome when they visit the town.

### UPCOMING EVENTS
